Council Meeting Monday, Dec. 7th.

As there will be no election held, the regular LaSalle Council meeting will be held Monday evening, December 7th, at eight o'clock instead of Dec. 14th as previously planned.

St. Andrew's Guild Plan Christmas Party

The Ladies' Guild of St. Andrew's Memorial Church, LaSalle, held their regular meeting in the church basement on Wed., December 2nd.

Final plans were made for the "Baked Goods" sale which is to take place on Saturday morning, December 5th, on the market. Mrs. Eldon Dawson is the general convenor, and Mrs. G. D. Vogan and Mrs. J. H. Jenking will be selling.

The Guild is planning a Xmas party for the members on Dec. 16th. A cordial invitation is made to all mothers and their small children.

Tentative plans were made to hold weekly card parties commencing in the new year.

A tasty lunch was served and the next regular meeting will take place on Wednesday, Jan. 6.

A Message From Your Fire Chief

On July 8th of this year the LaSalle fire pump broke down before repairs. The pump was removed and the truck was used for a hose and ladder carrier.

It therefore, became necessary to purchase a new pump at a cost of \$11,500. True, the initial outlay is costly, but this is cheap when you know what good can be realised.

First, it was your fire equipment and small fire losses that caused your insurance rate to drop from 17.00 to \$600 or \$700 per 1000. Secondly, a government grant which is 10 per cent of the cost is received yearly. And, lastly, your town treasurer receives a fee of \$50 per hour for out of town fires.

A saving is also made when a home that does not carry insurance is saved. The saving might also be a "life".

Therefore, our new pump, while costly, will prove economical as well as serviceable. Delivery will be made sometime this month.

BIRTH

Mr. and Mrs. Vincent Melchoe of LaSalle (nee Teresa Haslam) are happy to announce the birth of a daughter, 5 lbs., 8 ozs, on November 25, 1953, at Hotel Dieu Hospital.

Guides, Brownies Annual Birthday Party

Birthday parties are always fun and the seventh birthday party of the LaSalle Guides and Brownies was no exception.

Several mothers and fathers were on hand to help the Company and Pack Celebrate. Four Teenies, Pamela Schooley, Carol Grandmaison, Jean Lowchuck and Barbara Forbes were enrolled into the Pack. Nancy Craig received her Golden Hand, Sandra Sherlock her Collector's Badge, Alice Broughton her Needleworker's Badge and Lorraine Neuman her Writer's Badge. Service stars were also given out to the Brownies who had attended 75 percent of the meetings during the past year.

The Guides have earned many badges in the last few months and the following were presented the cook badge to Rosabelle Veighey, Peggy Souilliere and Kay Endo; the hostess badge to Paddy Bondy, Peggy Souilliere, Kaye Endo and Rosabelle Veighey; the laundress badge to Beatrice Scallion, Kay Endo and Peggy Souilliere; the hiker badge to Kaye Endo, Paddy Bondy and Rosabelle Veighey. The Little House Emblem was also presented to Rosabelle Veighey and this is the first one to be earned on the Company. Following the presentation of the badges the Service Star were given out.

Cookies, cake, an doat drinks were then enjoyed by all, and the seven candles on the birthday cake were lit by the Commissioner, Miss Amy MacLey, Past Commissioner, Mrs. H. D. Bondy, Captain, Miss Phyllis Stidworthy, Tawny, Mrs. David Veighey, the President, Mrs. R. Endo, of the Local Association and the immediate past President, Mrs. A. Plenderleith, and Mrs. J. Sherlock one of the testers.

A business meeting of the local association was held when final plans were made for the Christmas party, to be held on December 16th.

Mrs. Edmond Labonte, left, and her twin sister, Mrs. Arthur Dansereau, celebrated their 90th birthday last month. Residents of Verchères, they are believed to be the oldest twins living in Canada.

A busy round of royal duties and activities has kept Queen Elizabeth and the Duke of Edinburgh busy almost up to the recent departure time on their six-month round-the-world Commemorative tour. Smiling happily at left, the Queen receives a salute from a London policeman on her arrival at the Royal Institute Gallery in Piccadilly to view an exhibition by portrait painters.

**John Diefenbaker
May Lead P.C. Party**

John Diefenbaker may lead the Progressive Conservative Party in the next election, Blair Fraser, Ottawa editor of Maclean's Magazine, said today. In an outspoken article in the current issue of Maclean's, Fraser names Diefenbaker "the Conservatives' heir presumptive" and reports on the opposition the Saskatchewan W.P. will face when he makes his bid for leadership.

"A powerful fraction of the Conservative Party is still against him," Fraser warns. An independent thinker, Diefenbaker has opposed George Drew on several crucial issues in the past. He squelched Drew's proposal to outlaw Communism in Canada and supported King's Family Allowance Bill, Fraser points out.

"According to Diefenbaker's friends the 'Pay Street Columnists' think he is too progressive. Some are suspicious of his good relations with organized labor and others dislike his campaign for a Campaign for a Canadian for a Canadian Bill of Rights," the Maclean's article says.

Some of Diefenbaker's strongest supporters in his constituency of Prince Albert are drawn from Liberal and CCF ranks and might desert him if he led the Conservatives nationally. "What worries Conservatives is their doubt of his ability to swing his own personal following to the Conservative Party," Fraser comments.

Another doubt is whether Diefenbaker has the physical stamina and impervious temperament

EFFECTIVE. A teddy bear, circled above, always slighly in the breeze at a precarious position from the end of his rope, suspended from the roof of a Montreal church. His task—to keep away fluttering pigeons.

needed for party leadership, Fraser says.

"But if Drew does retire in the near future the odds are that the leadership will go to John Diefenbaker," Fraser claims.

Rivalry Between Red Cross and Hospitals

Rivalry between the Red Cross and certain metropolitan hospitals may impede the production of gamma globulin, the new polio immunizing agent whose source is human blood, Fergus Grounins warns. In the current issue of Maclean's Magazine, Grounins reveals why next summer's polio epidemic will cause needless deaths if the current battle for blood isn't settled soon.

"Because the Red Cross and thirty-two big city hospitals in Toronto and Montreal can't get together on the collection and distribution of blood, the gamma globulin program may fail to supply minimum requirements," Grounins says.

If the stalemate is broken the Red Cross can become a national blood service, Grounins points out. He quotes Dr. J. E. Pritchard, a member of the Red Cross blood pool, as saying, "If we go to war again we will need an agency to collect blood in large quantities. The same type of agency would be necessary in case of civilian disaster. No other group has the experience of the Red Cross in handling and transporting blood."

The Red Cross contends that the hospitals concerned, which demand payment or replacement for the blood they issue, get a much poorer response from donors than does the Red Cross which provides free blood service the Maclean article says. The Red Cross also claims the hospitals use blood inefficiently. Grounins quotes the statement of an official of Toronto Western hospital that last year the hospital discarded one hundred and fifty bottles of blood.

The hospital attitude forces the Red Cross to use the Red Cross service to "the arbitrary and undiplomatic methods adopted by the Red Cross," and "the possibility that the Red Cross may not be able to meet the anticipated large demand for free blood," Grounins reports.

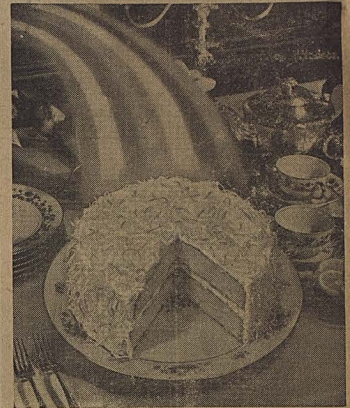

"The hospital concerned deny that they make any appreciable profit from the blood banks," Grounins says. "Due Red Cross officials claim one reason these hospitals have not joined the service is because it would mean giving up what has become a source of revenue."

Bus Service Resumed

After being suspended for over a month, the Duggall Avenue bus service in Sandwich West Township will be resumed on Monday, November 30th.

There will be four runs a day from Monday to Friday. These will leave No. 3 Highway at 8.15 a.m., 3.30 p.m. and 4.30 p.m., and leave Windsor at 8.45 a.m., 2 p.m. and 5.15 p.m.

On Saturdays, buses will leave No. 3 Highway at 8.15 a.m., 10.30 a.m., and 3.30 p.m., and leave Windsor at 8.45 a.m., 2 p.m. There will be no service on Sundays.

**Treasure at the
End of the Rainbow**

THE new Rainbow Cakes are your answer when you're wondering what to serve for dessert—for that "special" dinner—or when you simply want to see the family's eyes and appetites brighten up.

Just picture a frosty pink, feather-light cake on your prettiest serving plate. Or a delicate pale-green cake—or orange—or lemon colored. That's the beauty of this one simple recipe. For the secret of this rainbow variety of radiant color is—jelly powder—there's no guess-work in coloring and flavoring either cake-batter or icing.

RAINBOW CAKE

2½ cups sifted cake flour
3 tsp. baking powder
¼ tsp. salt
¼ tsp. baking soda
½ cup shortening
1 cup sugar
1 package jelly powder (any flavor)
3 eggs, unbeaten
Milk

*With butter, margarine, lard use 1 cup with flour instead of 1 cup plus 2 tablespoons

Sift flour once, measure, add baking powder, salt, soda, sift 3 times. Cream shortening, add sugar and jelly powder gradually, cream until fluffy. Add eggs, one at a time, beat well after each. Add flour, alternately with milk, in small amounts; beat smooth after each addition. Bake in two round 9" layer pans, lined on bottoms with paper. Use moderate oven (375°F.), about 25 minutes.

FROSTING
½ pkg. (3½ tbsps.) jelly powder (any flavor)
½ cup VERY HOT water

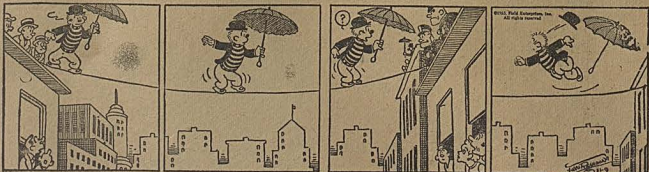

¼ cup sugar
Dash of salt
2 egg whites, unbeaten
Dissolve jelly powder in very hot water in top of double boiler. Add sugar, salt, and egg whites; beat about 1 minute, or until thoroughly mixed. Then place over rapidly boiling water and beat constantly with rotary egg beater (or at high speed of electric beater) 7 minutes, or until frosting will stand up in peaks. Transfer frosting at once to a bowl and beat about 1 minute, or until thick enough to spread.

Impossible Morality

Q.—When a human weakness is proven to be very common to most people does not that fact, scientific statistics, prove that it's impossible to keep that particular law or does it prove that an "impossible" morality is without obligation? N.N.

Reason or nature and the teachings of Christ—these are the supportable bases for the authorized moral interpretations of the Catholic Church. The Church assumes no authority to teach less nor to teach more than is justified by nature or God's special revelations, especially included or implied in the teachings of Christ. To serve as guardian and promoter of the truth is the role of the Church, no matter whether or not the truth is popular or unpopular for the present; no matter whether or not the truth is accepted by many or only by a few, no matter whether or not the truth involves unworldly hardship and rejects selfish pleasure. The mission of the Church is to help man attain eternal salvation even at the price of great self denial.

The kind of "statistics" wrongly called "scientific" which are gotten on man's moral behavior particularly private and personal, is very liable to be the kind that he hoped to find to support his own prejudices or preferences. Honestly does not become impossible because a lot of people cheat, steal or rob. Purity does not become impossible because a lot of people seem inclined to return to the pagan immoralities of ancient Rome. Christianity dispelled that ancient paganism with all its degeneracy and cruelty; in modern pagan times, Christianity i smearing the same challenge which must be conquered in no different manner. Humility, penance, vigilance, self denial, spirituality, together with divine eternal threats and promises—all these convert sinners into saints; all these tried means serve to render every man less related to animals and more related to angels and saints.

Gifts From Your Kitchen

Package home-made whole spiced oranges individually in small jars, then combine two jars in a small cracker basket that has been dressed up with Christmas ribbon.

Spiced Oranges

Four navel oranges, salt solution. 2 cups vinegar, 4 cups sugar, 1 cup corn syrup, 2 cups water, 40 whole cloves, 4 pieces of stick cinnamon, 2 inches long, raisins, dates, or nuts for stuffing. Cut a hole, about a half-inch diameter, from the stem end of each orange and remove the white membrane from the centre. Soak oranges overnight in a large kettle filled with a salt solution (use 2 teaspoons salt to each 4 cups of water). Drain. Fill kettle with fresh water, cover tightly and bring to a boil. Cook at gentle boiling point until oranges are tender (about 45 minutes). Drain. Combine vinegar, sugar, corn syrup, water, whole cloves, and stick cinnamon in a saucepan. Simmer for 5 minutes. Pour hot syrup over cooked oranges and still warm.

bring to a boil. Drain syrup into a cup or bowl and allow to cool. Pour cooled syrup over oranges, bring to a boil and drain again. Once more cover oranges with cooled syrup and bring to a boil. After draining syrup for the third time, stuff each orange with raisins, dates or nuts. Four cooled syrup over stuffed oranges and once more bring to a boil. Place stuffed oranges into sterilized jars, fill with boiling syrup and seal. There are few expressions of friendliness more gracious than gifting neighbors with homemade cake during the holiday season. Here's a recipe for a Christmas coffee cake which will pack and carry easily. It features cranberries, the traditional fruit of the holiday season, in a rich yeast dough. The cake requires 30 minutes baking and is best if served with a sugar icing while

RECIPE HINTS

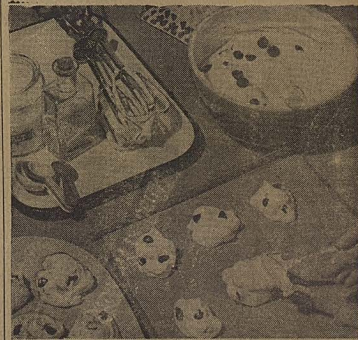

For a change give your early-risers a breakfast of French Toast and bacon. Your home-made Epps' makes a tasty accompaniment.

French Toast

Two eggs, beaten slightly, 2 1/2 cup milk, 1/4 tsp. salt, 8 slices bread, 1/2 cup shortening. Combine beaten eggs, milk and salt in a shallow bowl. Melt short-

ening in a skillet. Dip bread slices into egg mixture, turning them to coat both sides. Brown bread on both sides in hot fat. Serve with jelly or preserves. Yields 4 servings - 2 slices toast per serving.

Not a cookie—not a candy—but a nice way to satisfy your "sweet tooth." They are peppermint flavored meringues filled with chocolate chips.

Chocolate Peppermint Kisses

Two egg whites, 1/4 tsp. salt, 1/2 tsp. cream of tartar, 1/2 cup sugar, 1 package (1 cup) chocolate chips, 1/2 tsp. peppermint extract. Beat egg whites until foamy throughout; then add salt and cream of tartar and continue beating until eggs are stiff enough to

hold up in peaks, but not dry. Add sugar, 2 tbsp. at a time, beating thoroughly after each addition. Fold in chocolate chips and peppermint. Drop from teaspoon on ungreased heavy paper. Bake in slow oven (200 degrees F.) 25 minutes, or until done. Remove from paper while slightly warm. Makes about 3 dozen kisses.
